It is with great joy that we invite you to attend an evening program in the presence of Swami Nityananda, who carries on the work of Baba Muktananda.

He inspires people around the world to practice meditation and the yoga of self-knowledge. The program will include the practices of chanting, meditation, and a talk. The evening will allow one to experience the bliss of our true nature.

*Meditate on your Self, Worship your Self, Kneel to your Self,
Honor your Self, God dwells within you as you.*
